"it is our faith that
our graduates will
attempt great things,
and achieve great
things, and that the
world will be a
better place because
of them"

bellaire's principal
1955-1971

harlan g. andrews

yesterday a child came out to wonder,
caught a dragonfly inside a jar,
fearful when the sky was full of thunder
and tearful at the falling of a star.

then the child moved ten times round the seasons
skated over ten clear frozen streams,
words like when you're older must appease him
and promises of someday make his dreams.

sixteen springs and sixteen summers gone now,
cartwheels turn to carwheels through the town,
and they tell him "take your time, it won't be long now,
'til you drag your feet to slow the circles down."

well, the years spin by and now the boy is twenty,
though his dreams have lost some grandeur coming
true,
there'll be new dreams, maybe better dreams and
plenty,
before the last revolving year is through.

and the seasons —
they go round and round
and the painted ponies go up and down,
we're captive on a carrousel of time,
we can't return, we can only look behind
from where we came
and go round and round and round in the
circle game.

cards clinch district title

as the cardinals edged out lincoln 15-14, they assured themselves of a playoff position. lincoln scored late in the third quarter to give the panthers an 8-0 lead at halftime.

in the 3rd quarter the cards marched 67 years in seven plays. sid jones scored from the nine and a two point conversion tied the game at 8-8. But it was the superb card defense that made the winning breaks. after a bellaire punt, lincoln took over at their own 37, but a determined card defense held the panthers. kelly simmons blocked a 4th down punt and recovered in the end zone to put the cardinals ahead 15-8. lincoln scored again after a 72 yard march to close the gap to 15-14. again the bellaire defense triumphed as the 2-point conversion was stopped and the cards had won district 20-aaaa championship.

tight ends: dave wilkens, jimmy maltz, jimmy middlebrook.

cards win state

the bellaire cardinals turned in their most successful season ever last year winning state with a record of 35 wins and 6 losses. the cards first won the championship in 1960 and repeated that performance again in 1962 under the present coach ray knoblauch. last year it was pitching that carried the cardinals to the championship. two juniors, right-hander jim gideon and southpaw joe roche (facing page) accounted for 33 of the 35 wins. the cards got off to a slow start, but with the fine defensive play of steve frank and alan mcmurtrey and the hitting of frank, mcmurtrey, and marc davis, the district 20 — 4a title was soon tucked away. bellaire slipped past sharpstown to win bi-district in a series that went to three games. the city championship was no contest as the cards easily beat milby. galveston ball proved to be a bit more competitive winning the first game but finally losing in their encounter with bellaire. bellaire behind gideon knocked off san antonio lee in the semifinals and prepared for the final with lubbock monterey who had likewise beaten lufkin. the cards won the championship against monterey, 10-2 to close their finest season, yet.
